

## **RN11H & IPRN11H Visit Changes**

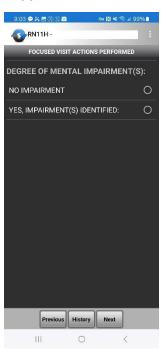

- ➤ Who? RNs
- ➤ What? New configuration of the Degree of Mental / Emotional Impairment(s) assessment in the Focused Visits Actions Performed section
- ➤ Where? RN11H & IPRN11H visits
- ➤ When? Go Live is June 19, 2024
- ➤ How? Degree of Mental / Emotional Impairment(s) has been separated in two sections: Degree of Emotional Impairment(s) and Degree of Mental Impairment(s)
- ➤ Why? The CAHPS survey asks caregivers how well we addressed a patient's feelings of anxiety and sadness. To ensure the patient is assessed for feelings of anxiety and sadness, these changes in the RN11H & IPRN11H visits will allow for a more detailed assessment of the patient's emotional status.
